Communication policies are changing. New Rehab policy will be coming out soon; there will be a Live Fire Drill in May and the Rehab units may be asked to participate. April 17, a modified version of the CFA will be held for fire fighter family members. We will be needed to help out. More details to follow. And last, with concerns on how to handle the new CFPA class numbering, the Fire Department has decided to provide the graduating classes with the ECFPA shirt and once they join the ECFAAA, they will receive a polo shirt that follows the existing class numbers.
- The next meeting will be held on Tuesday, February 23 at Fire Admin.
